

Te Ahi Tūtata

Te Kura Ahi

2024 – 2027 STRATEGY

Te Ahi Tūtata is our Māori business within Beca. Our name is derived from a whakataukī (proverb):

Tāku ahi tūtata, tāku mata kikoha. Tāku ahi mamao, tāku mata kiporo.

This whakataukī speaks of a fire – when you are close to the fire, you have the ability to keep your blade sharp and ready for action. It is about fighting for a cause close to one's heart.

As a Māori-centred business we are focused on listening to the needs and aspirations of Māori. Our business provides a suite of advisory services and consists of kaimahi Māori (Māori staff) and tangata Tiriti who bring their cultural knowledge, specialist skills and technical capability to a variety of projects.

Our Vision

Embodying our legacy as an Aotearoa company through Māori leadership and empowering te ao Māori within our industry and communities.

Our Purpose

Creating better outcomes for Māori and Aotearoa underpinned by Te Tiriti o Waitangi.
